The project "The Clinical Fromm" is addressed to all who are interested in Erich Fromm's writings about clinical topics as well as in a collection of the secondary literature about Erich Fromm's psychoanalytic theory and practice. Both collections, a total of approximately 250 pdf-files, are available as one CD-ROM, edited by Rainer Funk of the Erich Fromm Archive in Tuebingen. A complete listing of all included contributions (ca 250 papers) follows:

- I: Erich Fromm on The Theory and Practice of Psychoanalysis
- II: Secondary Literature on Erich Fromm's Psychoanalytic Theory and Practice
